

MnDRIVE/LS-NSSA Summer Research Internship

Guidelines for Recommenders

Recommenders should address the following:

- How long and in what capacity have you known this applicant?
- What do you know of the student's future educational and/or career plans? Please describe the student's potential for academic success and the student's strengths and weaknesses.
- Please discuss the student's qualifications and merits for conducting research and solving problems as part of a team. Why would they be a good fit to participate in the MnDRIVE/LS-NSSA Summer Research Internship?

Do NOT agree to write a recommendation letter if:

- You are not strongly and positively supportive of the candidate.
- You do not feel that you know the candidate well enough or cannot remember enough about them to provide a substantive, detailed letter.
- You do not feel that you are the right person to recommend them for the research opportunity.
- You do not have the time to write it.

The letter of recommendation should be emailed by the letter writer to nssa@umn.edu by Monday, March 11, 2024 @ 11:59 PM (CST) .
